

North London Business Park

WELCOME

CGI of the proposed development

Have your say

Welcome to our virtual public consultation, which provides information regarding Comer Homes' revised proposals for the North London Business Park. This virtual exhibition will outline key information about the site, the context within which it sits, and an overview of both the proposals and the associated benefits.

Please take the time to consider the information on display before filling out one of the feedback forms available. If you would like to find out more, please sign up for one of our webinar sessions on the 'Webinar Registration' tab of this website.

We appreciate your interest in the proposals for the North London Business Park and hope you find the exhibition informative.

If you have any questions, please do not hesitate to contact a member of the project team on **0800 298 7040** or **comerhomes@becg.com**.

The Site

The site occupies c. 17 Hectares of brownfield land in a predominantly residential area, located to the west of Southgate and to the south of East Barnet.
